Recycled Water Frequently Asked Questions

Fact sheet, 2025

41 Quarry Street, Wattleford | 1800 975 707 | tolmerrawater.example

Class A recycled water is treated to a high standard using filtration and disinfection. It is safe for many non-drinking uses.

It must not be used for drinking, cooking, washing food, filling swimming pools or for personal washing.

Fill containers at the Saltpan Bay filling station after completing the online induction. Label all containers clearly.
